Private swim lessons are a great resource for swimmers who are self-paced learners or for families with busy schedules. The Community Center offers 1-on-1 instruction with personalized plans to meet the swimmers goals. We have experienced swim instructors who work with a variety of ages and skill levels. Private lessons are open to both members and non-members.

Private lessons will be 30 minute sessions for 5 days. Your instructor will work with you to set up a personalized schedule!
